	Cope, Orangeburg, South Carolina.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion of the Consumer Advocate for the State of South Carolina (the Consumer Advocate) for a night hearing in the service territory of the proposed South Carolina Electric & Gas Company (SCE&G) 385 MW Pulverized Coal-Powered Generating Plant near Cope in Orangeburg County, South Carolina. The Commission Staff has examined the Docket file in this matter and reports that very little citizen interest has been expressed in the Commission holding a night hearing in the Cope area. For this reason, it is our belief that the Motion of the Consumer Advocate for a night hearing should be denied.

IT IS THEREFORE ORDERED THAT:

1. The Consumer Advocate's Motion for a night hearing in the service area of the proposed SCE&G plant is hereby denied.

2. That this Order shall remain in full force and effect until further Order of the Commission.
